

PATRICE A. HINNANT
TWENTY-FOURTH JUDICIAL DISTRICT BAR

October 2024

Dear Colleagues:

I hereby submit my name as a candidate to serve as Bar Councilor designated to represent our District, the Twenty-fourth Judicial District.

A record of service and professional affiliations is attached for your consideration. In short, all the basic criteria are met: lawyer; high level of service; good standing in all levels of the Bar; and insights offered by legal career spanning decades of private practice and public service.

In addition, it has been my honor and privilege to serve the people of Guilford County and the State of North Carolina since 1996 in the Judicial Branch of North Carolina government. For sure, the view from the Bench coupled with reminders from years as an assistant public defender and private practice offers a unique combination of experience and commitment to the profession, to the administration of justice and to building public trust.

Your choice of my candidacy as Bar Councilor would offer you the continued service of a representative who would not only take the position seriously but one who would weigh issues carefully, giving consideration to the scope and magnitude of issues presented, history and circumstances, whenever deliberation is required. My record of service to the North is shown below.

Your favorable consideration is requested by voting to allow my continued service as your Bar Councilor.

Yours truly,

Patrice A. Hinnant
